This is a request for a CASH account. Opening a CASH account will provide us an opportunity to record your purchases for more consistent pricing, purchase history and tax status with the State of Idaho. It will also serve to establish a relationship history should we need to make a decision to drop material in the absence of expected payment. If the decision is made to drop material in the absence of expected cash payment, it is understood this decision will be made as a courtesy to you. This action will not constitute a change in the terms of this agreement from a cash agreement to a terms agreement.

PLEASE---To process your request, we must have all lines of THIS FORM completed even if you are attaching a pre-printed information sheet.
